sweet corn, lime, mayo,  
chili de arbol

### *Mexican Rice & Black Beans*

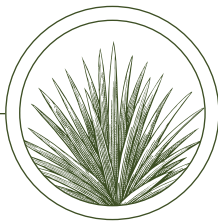

## DESSERT 10

### *Tres Leches*

chantilly, blackberry purée

Worshipped as the Aztec gods of fertility and long life, venerated for their powers of sustenance, corn masa and agave have been central to Mexican culture and cuisine since ancient times. Using authentic flavors and techniques, we prepare corn masa starters and Mexico City-style tacos that celebrate Mexico's culinary heritage. Our collection of agave spirits pays homage to the jimadores and mezcaleros who have labored over their craft for generations.
