

The Black Box Theatre at Edmonds Community College is a multi-purpose venue serving campus and community programs. The Black Box hosts theater, film, dance, community events, seminars, lectures, education programs, and private events as well as original programming. Throughout the year we will feature writers, artists, faculty, and cultural innovators in conversation across disciplines

### Black Box Theatre Offers:

- 200-seat capacity
- State-of-the-art lighting, sound, and video equipment
- Videotaping and editing services available at competitive rates
- Sprung floors
- Break-out rooms available
- Well apportioned dressing rooms
- Green Room
- Publicity services included in rental
- Catering services
- Full service box office
- Free parking

### Additional Features

The Black Box Theatre features state of the art technical, Audio/Visual, projection, and video capture facilities. Our seating is comfortable and can be configured in thrust, proscenium, and in the round.

Our 2,281 square foot lobby features a modern, open entrance, reception space, and 20 foot high windows, and our backstage area is 1,600 square feet and features a green room and two generous dressing rooms. The facility is ideal for performance, lectures, educational programs, seminars and symposia.

### Theatre Sq Footage: 4,065 square feet

In addition to our professional performance and events facility, EdCC features resident catering services, plenty of parking, and a comprehensive ticketing service. For events open to the public, staff can help with publicity to our student, faculty and staff community, as well as the community at large.
