

Offering convenient access just off of I-5 North and South exit 206, heading east you will find the area's newest prestigious hotel, the Best Western Plus Smokey Point Inn! Boasting a 100 room facility with spacious and modern 55 two-queen bedded rooms, 30 king bedded rooms and 15 large suites with kitchens! All rooms have a microwave and refrigerator, large flat panel TV for watching that movie or game you've been waiting for while relaxing on our new comfort beds. Hair dryer, iron, board and coffee makers in all rooms along with ergonomic work desks for that late night proposal or Power Point presentation you've been working on. Complimentary wireless Internet throughout the hotel and a 24-hour complimentary business center with computers and printing capabilities!

Have a large or small corporate event you need to hold, or that social dinner you've been planning, check out our 1,200 square feet of flexible meeting and event space. The Ballroom will divide into 2 separate rooms with a sound wall in between, or if you need that boardroom we have one ready for your meeting needs. We offer onsite limited catering or you may bring in your own caterer to accommodate those event meals.

You will also find a heated indoor pool, hydrotherapy spa, and onsite fitness center, offering the latest in fitness workout equipment. Enjoy our breakfast lounge with the

most important meal of the day on us! Offering a full, hot breakfast buffet with all your favorites! In the evening come relax in our lobby and watch a game on the large panel TV or relax with a book and take in some great conversation with one of our guests or staff. We will make you feel right at home at the Best Western Plus Arlington Inn, your new home away from home!
