

# Book Direct and Save Up To 15%

Redeemable: Always

Hotel rewards are great. Trying to gather enough points for a free night isn't. Here at the Fireside Inn, we'll give you an instant discount on any night you book directly on our website. You can use those savings to splurge on a nice dinner, pick up a quick surf lesson, or save it up for your next getaway! Unlike some loyalty programs that "reward" you a free night AFTER you stay 10 nights at qualifying hotels, we save you the money upfront so you can decide where you want to use it! No blackout dates, no fine print, just an easy to save way-to-stay. No coupon codes or complicated loyalty accounts required, search your dates and see the savings. Book today! .
