

Palmer Park

- Trails are named after vehicles produced at the Janesville GM Assembly Plant from 1919 to 2009
- Suburban (West Flow Loop)
 - Impala (East Climb)
 - Blazer (East Flow Loop)
 - Bel Air (Intermediate Jump Line)
 - Skyhawk (Advanced Jump Line)
 - Connector (2-way)
- All trails are 1-way only, except connector

Please help preserve park trails.
 If you are leaving tracks on the trail it is too wet to ride
 Funding for PUMP was raised by the Janesville Velo Club, City of Janesville and community sponsors.
 Professional trail builders were hired to build sustainable fun filled trails.
 Modification of trails is prohibited without permission of the Janesville Parks Department.
 The JVC has been approved for performing trail maintenance, making sure trails are safe and enjoyable.
 To volunteer contact the Janesville Velo Club at veloclub.org.

Check trail status here

Do not ride on wet trails
